Next Event

The Stirling Sports Duathlon series continues on Monday nights. These races are open to anyone and free of charge but the club insists that all cyclists have a roadworthy bike (complete with helmet) and young competitors must be bike competent and compete with the approval of their parents.

The series is certainly proving popular with 64 turning out last Monday. Every Tuesday night the results are posted on our web site.

For the juniors doing the main Centennial Park circuit there will be the option of doing 1 or 2 runs. Please state this when you pick up your race number.

Please check out the club calendar at www.tarts.co.nz/Brochure%20of%20TARTS.pdf for more events . If you don't have the required Adobe Acrobat Reader free software please go to www.adobe.com/products/acrobat/readstep2.html
